POWER-PACKED
AND BUSINESS-READY

ThinkCentre M720 Tower and SFF

ThinkCentre M720 Tower and SFF

TAKE PRODUCTIVITY TO THE NEXT LEVEL

Powerful and secure, the ThinkCentre M720 Tower and SFF meet your computing needs for day-to-day business. Heavy data or content creation, carry out intensive tasks easily with the new Intel® 8th Generation Processors and DDR4 memory. The M720 includes a range of high-speed USB ports that allow it to adapt to your connectivity needs easily. Work worry-free with the Smart USB Protection that ensures security of sensitive data. Also, the Chassis E-Lock protects key components inside the desktop.

- **Productivity:** with the high-speed USB ports that include a USB-C port, experience improved accessibility for quick data sharing on the desktopto increase productivity. The PCIe SSD storage enables easy multitasking so you can switch between apps effortlessly.
- **Manageability:** with the Smart Power On feature, you can switch the desktop on remotely using a simple keyboard shortcut. The vertical floor-stand gives the M720 SFF that extra stability.
- **Security:** the M720 Tower and SFF come with the dTPM 2.0 chip that encrypts valuable data to ensure security. Also, restrict the removal of the side cover of the desktop to prevent the theft of hardware with a padlock. The Chassis E-Lock, powered by the motherboard, further protects the key components from within the chassis.

ACCESSORIES

Lenovo Essential Wireless Keyboard and Mouse Combo

Get responsive quiet keys and a premium typing experience with this wireless full-size keyboard-and-mouse combination. A slim 2.5 zone keyboard with number pad and one-touch dedicated media keys put the controls you use most at your fingertips, and the ergonomic mouse supports all-day use.

Lenovo Stereo Headset

Comfortable fitting, universal VoIP optimized headphones that come with double-sided ear pieces help you focus on the call by blocking unwanted sound. Adjustable headset and 180° microphone provide excellent sound clarity be it on VoIP or regular phone calls.

Kensington® MicroSaver™ 2.0 Twin Cable Lock

The Kensington® MicroSaver™ 2.0 Twin Cable Lock secures two devices with the same cable lock. Engineered to be the smallest, strongest lock for desktop, laptop, monitor, and other devices, the MicroSaver DS 2.0 represents the next generation of laptop security.
