

Lenovo™ ThinkPad 13 G2

STREAMLINED PRODUCTIVITY AND DURABILITY - TO GO

Powerful and durable, yet extremely light – ThinkPad 13 G2 is ideal for working on the move, with an appetite for productivity that lasts all day long.

ThinkPad 13 G2 is designed to balance mobility and productivity for professionals, students, and educators alike. Built to pass 12 Military Specification tests for durability, it can withstand the travails of the boardroom and the boarding ramp – yet it's still ultralight, and features a battery that lasts a full work day.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD 13 G2

Tough Enough for the Military

Tested against 12 military-grade requirements and passing more than 200 quality checks, ThinkPad 13 G2 was designed to withstand work, travel, fun, and anything else you can throw at it.

Keep Your Hands on the Keyboard - Because You'll Want to

So comfortable to use, ThinkPad keyboard includes two pointing options – the world-famous TrackPoint and intuitive, clickable TrackPad. Move your cursor, make selections, zoom in, and drag and drop easily and comfortably.

Easy to Take With You - Even Without a Charger

At 1.44 kg / 3.17 lbs and merely 19.1 mm / 0.75" to 19.8 mm / 0.77" thin, ThinkPad 13 is eminently portable, with all the battery power you need – up to 9 hours – to stay productive all day.

Professional but Pleasant

With its clean, modern design, with sleek, rounded corners, available in Silver or Black – ThinkPad 13 has a professional look that's sure to impress.

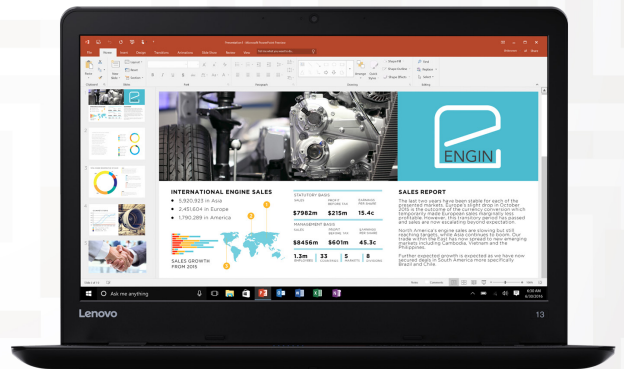

Plenty of Ports

Connect to just about any accessory you need, whether it's an external drive via speedy USB 3.0, a phone or other device via USB Type-C, or a TV or other monitor via HDMI. Simply plug in and get started.

Docking With Power

The OneLink+ connector charges your battery when you're working. While the OneLink+ port enables you to transform ThinkPad 13 into a full-featured machine at your desk – with superfast data transfers; high-quality video; and accessories such as keyboard, mouse, printer, and up to two external displays.

WHO NEEDS THE LENOVO™ THINKPAD 13 G2?

- 1** Business users who recognise the benefits of a powerful enterprise business laptop that will simply power them through their day.
- 2** Users who are less discerning about devices and technology, who just want the shortest, reliable route to getting the job done.
- 3** Professionals who see technology neutrally, but are aware that it helps boost their efficiency and connectivity – and will choose devices according to peer recommendation.
