# BETTER TOGETHER

# BETTER TOGETHER

Partnerships are not merely about short-term opportunities, they are about sustainability!  
Key to successful partnerships are businesses with well-aligned objectives.  
Because we are sharing goals and expectations, let's take advantage of our partnership  
and make our businesses better together.

## CHROME ENTERPRISE

Acer Chrome products combined with Chrome Enterprise provide cloud workers with a fast, secure access to the data and insights they need, whenever they need it.

With the complete Chrome line-up and Enterprise-grade technology born in the cloud, together we bring security, efficiency and value today and for years to come.

## INTRO TO THE CHROME WORLD

---

We have the most comprehensive portfolio of the market, offering Chromeboxes, Chromebases and Chromebooks.

Our devices integrate Chrome Enterprise to empower cloud workers with the latest enterprise features including military-grade durable aluminum chassis, fingerprint readers, Citrix Ready Certification™, video conferencing with Google Hangouts™ Meet and much more.

## TARGET AUDIENCE

---

- Education: higher education classrooms, computer labs and school libraries
- SMB: mid-sized customers across all industry sectors
- Government Markets: public sector primary state and local agencies
- Corporate: CIO Innovator, CIO Traditional or Senior IT managers, CMO/LOB leaders and CISO.

## KEY SELLING POINTS

---

### **Automatic updates**

Acer's Chromebooks platforms launch with up to 6.5 years of Auto Update support by Google.

### **Enterprise Grade technology**

Our Chrome devices are created for 24/7 use in tough environments.

### **Fast, reliable and secure**

The Chrome OS is built to last, it starts up in under 8 seconds and is secured against various threats.

### **Chrome Enterprise Upgrades available**

These upgrades combined with the Chrome Management tool, allows IT departments to easily and remotely manage entire fleets of Chrome devices.

### **Up to five years warranty**

The warranty on all Chrome devices can be easily extended for up to five years.

# FIND YOUR CHROME DEVICE

## Chromebox series

**Acer Chromebox CX13** brings everyday power in a tiny form factor. It's a great choice for kiosk-type device, digital signage, interactive media or point of sales system.

## Chromebase series

**Acer Chromebase 24I2** is the ideal workstation for modern offices and front desks or kiosks.

**Acer Chromebase for Meetings 24V2** is the ideal one touch video conferencing system.

## Chromebook series

**Chromebook 715 and 714** are designed for professionals looking for elegance, security and ergonomics, all granted by an all-aluminum chassis, a numeric backlit keypad and fingerprint reader

**Chromebook 13** enhances visibility and productivity with an 18% bigger screen and also comes with 10 hours of battery life.

**Chromebook 11 LTE** is the ideal laptop for all on the go users. With its state-of-the-art, low-power processor, military standard specs and a long battery life.

## Chromebook Tab series

**Chrombook Tab 10** is the first Chrome OS based tablet, supporting Google ARCore and 3rd party AR Android apps.

## Chromebook Spin series

**Chromebook Spin 13** comes in a convertible format and is all about the finer details! It offers strength, durability and style through its 100% aluminum chassis, whilst productivity is secured by Chrome OS.

## Chromebase for Meeting 24V2

## Chromebase for Meeting 24V2

### COMPLETE SOLUTION FOR MEETINGS

Powered by Intel® Core™ i7 and Google's Chrome OS, the elegantly styled touch All-in-One is the ideal video conferencing system. With 5MP webcam, dual microphones and speakers it's the perfect solution for small and medium sized spaces.

Certified for Google Hangouts Meet Hardware

-  23.8" Full HD Touch IPS panel
-  Full audio system for video conferencing
-  VESA wall mount

## Chromebox CX13

### Chromebox CX13

#### POWERFUL FOR DAILY TASKS

Chromebox CX13 delivers the performance to improve your business productivity. In addition to the existing apps in the Chrome Web Store, users can now get access to over 2 millions of Android apps from Google Play Store.

 Up to 8th gen Intel® Core™ i processors

 Up to 16GB DDR4 memory

 USB 3.1 Gen 1 Type-C™ port

## Chromebook 714/715

### Chromebook 714/715

## SLEEK, SECURE & PERFORMANT

The all-aluminum chassis of the Acer Chromebook 714/715 gives users an elegance that belies the power of an 8<sup>th</sup> Gen Intel Core i processor and the added security of a fingerprint sensor.

-  14" & 15" FHD IPS Display
-  Stylish 100% Aluminium Chassis
-  Fingerprint reader
-  Numeric Keypad (only available on Chromebook 715)

## Chromebook 13

### STYLISH & WIDER

The all-aluminum chassis of the Chromebook 13 gives users an elegance that hides the power of an 8th Gen Intel Core i processor. Thanks to an 18% taller screen with a 3:2 aspect ratio, there's more vertical screen space to read information on. Viewing websites and documents now need less scrolling.

 3:2 Ratio display

 Metal chassis

 Up to 10 hours of battery life

## Chromebook 13

# Chromebook 11

## Chromebook 11 CONNECTED & RUGGEDIZED

Even when WiFi is out of range, the Acer Chromebook 11 has 4G LTE so you can always have connectivity and access to all your cloud-based apps and data. Also compliant with rigorous U.S. Military testing, the Chromebook 11 ensures extreme reliability and durability with the robust mechanical design.

**4G LTE** 4G LTE Connectivity

 U.S. Military Standard compliant

 Up to 12 hours of battery life

## Chromebook Spin 13

### HIDDEN POWER

The first Chromebook with the fast 8th Gen Intel Processor has a stunning design and a 3:2 display for full visibility. 12 hours of battery life goes a long way: with just a single charge, get in a full day's work with time to spare.

-  QHD Display with Gorilla glass touchpad
-  Touchscreen and Wacom® EMR pen embedded
-  Stylish yet tough 100% aluminium chassis

*Chromebook Spin 13*
