

The hybrid Ultrabook™ for professionals

Portégé Z20t-C

With Ultrabook™ performance and tablet flexibility in one device, the fully detachable 31.75 cm (12.5") Portégé Z20t-C for professionals enables you to create or consume content almost anywhere. Ideal for day-to-day business use, the device helps you get things done whether you're working at your desk, giving presentations, attending meetings, sharing ideas or taking notes. From the integrated accupoint to the backlit, ergonomic keys, the full-size keyboard provides a better typing experience - while the long-lasting battery life allows you to get more done when you're on the move between boardrooms. With a premium design that's thin and lightweight, carrying the Portégé Z20t-C around is easy too. Plus, with Toshiba's integrated Trusted Platform Module (TPM), all the data on your local storage will stay safe – leaving you to focus on getting your work done.
