VERITON
M4620G

Serious performance with full expansion

The 30 liter Acer Veriton M4620G packs a powerful Intel® processor to deliver serious performance. It also supports up to three digital displays for viewing multiple windows at once. Built-in BCM5761 DASH GLAN enables out-of-band manageability and Trusted Platform Module 1.2 ensures robust security.

Serious performance
- 3rd generation Intel® Core™ vPro™ processor family
- Up to three digital displays for enhanced efficiency
- Up to 16 GB of DDR3 memory
- SuperMulti drive and DVD-ROM options

Premium manageability
- Built-in BCM5761 DASH GLAN out-of-band manageability
- TPM1.2-compliant design provides robust security
- Acer ProShield for advanced data protection
- Acer Veriton ControlCenter enables centralized management
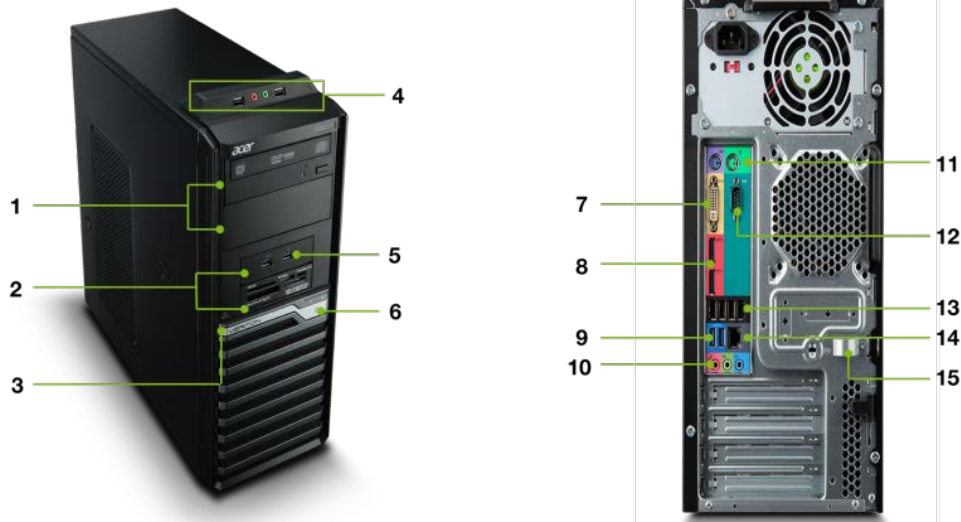

Hardware-based security
- 100% solid capacitor design means more stability
- USB 3.0 port connectivity dramatically boosts data transfer speeds
- 2-in-1 cable padlock ring for extra protection
- Built-in PCI Express® 2.0 x16 slot with x4 connectivity

Industrial compliance
- ENERGY STAR® 5.0
- EPEAT® Gold
- RoHS
- GS

About Acer

Since its founding in 1976, Acer has broken barriers between people and technology, enabling users to explore, create and grow. Acer ranks No. 2 for notebook PCs globally (Gartner data 2011). The Acer Group employs 8,000 people across the globe, and revenues for 2011 reached US$15.7 billion.

Acer's channel business model is instrumental to the company's success, while its multi-brand approach integrates Acer, Gateway, and Packard Bell brands in worldwide markets. Acer designs environmentally friendly products and, with its vendors, has established a green supply chain.

Acer is proud to be a Worldwide Partner of the Olympic Movement. That includes supporting the Vancouver 2010 Olympic Winter Games and London 2012 Olympic Games. More information is at www.acer-group.com.
